

BKKS

March 2022 **BKKS** hits the market!

Like everyone, the shock of the Covid Pandemic forced the step to evaluate our mission and start thinking about our next steps to Be Different and Be Noticed when traditional uniforms were not enough to keep moving forward. BKKS is about taking life in stride. It was a time to take stock of company success in the seeming bland world of uniforms.

To look at what can be next and new. BKKS offers a selection of easy to wear apparel, to style with staple pieces and fun fashion.

Our mission is to **B**elieve enough in yourself to **K**now who you want to be. Use your **K**nowledge and every bit of your **S**trength to be the best you.

BKKS is our way to have fun, to continue to expand and to Do the Different again.

In Style Apparel launch of BKKS is complex as our key focus was to support our distributors in something new, finding more ways to connect with on-sellers in fashion and emerging start-ups.

Outlined are styles with stock held in Australia and stock held in China. Ready for branding or decoration.

As this range is regularly updating and growing, it is highly recommended to view the website for the most up to date information.

Global Recycle Standards**

BKKSHD55

What does it mean to Meet Global Recycled Standards?

The Global Recycled Standards (GRS) set the criteria for third-party certification of recycled materials and chain of custody. The GRS included a higher (50%) minimum recycled content percentage and additional social and environmental requirements related to processing and chemical use. The BeSeen product exceeds the minimum 50% requirement outlined by the Global Recycle Standards.
