

2026 SCHOOL LEAVERS

Every Student Deserves a Great Memory- Custom School Leaver Wear celebrates the milestone years in the most memorable way!

To Help Create the Perfect School Leaver Wear to Be the Perfect Keepsake, this document is a concept collection.

Let the students shine in specially crafted Polos/ T-Shirts, Hoodies or Jackets to wear through the school campus in quality manufactured and in styles students are happy to be seen wearing. As the year comes to the close, caps and gowns options can be that final wearable moment.

All concepts and ideas focus on showcasing the school's logo and graduating year in this collection. The concepts can easily be adapted for any extracurricular group or to update the everyday student uniforms.

Please go through the concept collection knowing that the images of embellishments can be added to any of the garments in this snapshot.

The Fonts are preset to be able to be used to add a transfer, embroidery or a fully sublimated applique/lining or list on the garments.

Short Sleeve Yarn Dyed Stripe Polo with Self Fabric Collar

Custom-made yarn-dyed polo shirts are a popular choice to create a distinct and sophisticated look with personalized elements. Yarn dyeing is a technique where the individual yarns are dyed before being woven into fabric. This results in a more precise and long-lasting color pattern compared to piece-dyed or garment-dyed fabrics.

With 70 Choices in Thread Colours the ability to match school or have a contrasting combination to the everyday school polo is simple.
